## CORE VALUES

- Integrity | Professionalism | Teamwork | Optimism | Hard Work | Delivery

## REFEREES

Hisham Adel  
Software Engineer  
Dubai  
Tel: +20 106 584 8087

# OKOTH OCHIENG NIGEL

WEB DEV, DATA ANALYST, RESEARCHER

## PROFILE

I'm a passionate FullStack Software Engineer specializing in Web, Android, Windows, and Data Analytics-based business solutions. I thrive in dynamic environments where innovation meets real-world impact. With a solid background in statistics and programming, I merge data-driven insights with modern technologies to solve complex problems. My goal is to contribute to transformative projects while growing professionally and driving organizational success through technology.

## SKILLS

- Frontend: HTML5, CSS3, JavaScript, ReactJS, Angular
- Backend: NodeJS, Flask, Django, TypeScript, Python
- Database: MongoDB, MySQL
- Other: R for Data Science, Artificial Intelligence, Android & Windows GUI Development
- Tools: Git, VS Code, Postman, NPM, RESTful APIs

## WORK EXPERIENCE

- Supply Acquisitions, Ureed.com
  - FullStack Developer: Built and maintained fullstack platforms for talent acquisition.
  - Client Collaboration: Delivered customized web solutions based on unique business needs.
- Data Science and Programming Clients
  - Python & R Developer: Designed data pipelines and visualizations for analytical dashboards.
  - AI Integration: Integrated machine learning models into client-facing applications.
- FreeCodeCamp College
  - Web Development & Data Analytics (2018–2021): Developed and deployed modern web applications.
  - C++ Programmer (2020–2022): Focused on memory management and algorithmic problem solving.

## MISSION AND VISION

**Mission:** To design and deliver high-impact, scalable software solutions that enhance user experience, empower businesses, and solve real-world challenges through innovation, data-driven development, and ethical technology practices.

**Vision:** To become a leading force in global tech innovation—building intelligent, cross-platform applications that shape the future of digital transformation while inspiring the next generation of developers in Africa and beyond.
